Pastor's Notes

Hey First Family,

I hope you have enjoyed and benefitted from the sermon series on the letter from Paul to the church in Rome. I know I continue to learn as I prepare for them. I had a plan in mind for the breakdown of the messages but God continues to reveal (make known by DIVINE INSPIRATION – April 24 sermon) new information to me. The first chapter was only supposed to last three weeks but it took four. I had planned to take two weeks for chapter two but it now looks like it will be at least three!

Paul's eagerness to share the gospel has really been speaking to me. As I study and read, most pastors and scholars agree that in today's culture war, legislation will not be the key to turning things around. It is the gospel of Jesus that has the ability to change and shape culture. Josh McDowell says,

> *Our main purpose is not to go out and change culture. Rather,* ***our main purpose*** *is to glorify Christ in all that we do. We are to walk with him, and* ***to share and lead others to Christ****. When we do this—and* ***every time somebody comes to Christ—cultures changes****. The more people come to Christ, the more cultures change.*

Therein lies the key to our discontent with society. Many followers in trying to save themselves from the discomfort and anxiety of sharing the gospel have backed away from doing so. We can sit back and complain about the direction our world is taking or we can join in the battle as our Commander in Chief has ordered us to: "T*herefore go and make disciples of all nations…"* Hudson Taylor, the well-known missionary to China, says the great commission is not an option to be considered but a command to be followed. Unfortunately for the church today, much of the body has deemed to let the so-called "professional staff" do the evangelizing.

I will leave you this month with a quote from John Wesley. Wesley was one whose heart was touched by Luther's prelude to the Epistle to the Romans. His heart was warmed by the truths set forth in the letter and he helped to lead a great evangelical awakening in England that essentially saved the church there. It is easy to see from the quote what Wesley says is the mission of the followers of Jesus.

> *"You have nothing to do but to save souls. Therefore spend and be spent in this work. And go , not only to those that need you, but to those that need you most…It is not your business to preach so many times, and to take care of this or that society; but to save as many souls as you can; to bring as many sinners as you possibly can to repentance."* – John Wesley

I pray that we all will continue to be touched, and more importantly, be moved to action by our study in Romans.

Blessings,

Pastor Rick
A foot soldier for Christ

While we recognize this special day for all mothers, we want to celebrate the idea that 'mothering' is more than being a mother. Our church is filled with nurturing, encouraging and strong women, whether they are mothers, teachers, neighbors, leaders or any women who takes someone under their wings and cares for them in some manner.

Thank You!!

We want our church family to know how much we appreciate their help and support during Johnnie's illness & passing. I am so thankful for 61 years, but I do miss him. Our Christian friends are the best. Our Pastor, church staff & Loyal Heirs were a great blessing to us. Thank you so much!

To Our Dear Friends at FBC,
Over the past several months, you as a church body have given over and above what we could ever have asked for, and we want to tell you how truly grateful we are for your partnership in this ministry! Because you gave, we have been able to purchase plane tickets, replace the large battery bank for our house, and purchase many other items needed to take back to the field with us. Thank you so much for your generosity-for the encouragement that we are indeed in this together. Thank you for your faithful service to our Lord and for allowing Him to use you so significantly in our lives and ministry. We truly could not do this without you, and it is our privilege to be your hands and feet, sharing Christ and His Word in Papua News Guinea. It has been a joy to live among you this year, and we pray the Lord continues to bless as you faithfully walk with Him and seek to know Him above all else, for He alone is worthy!

Serving together, your missionaries,
Jeremiah, April, Jordan, Judah &

In loving memory,
we acknowledge the death of:
