

Watcha Trusting In?
Romans 2:11

Intro

In last week's passage, Paul spoke truthfully but boldly to those in the church who were acting superior. This week he continues to admonish them for trusting in the wrong things. Our passage today can be somewhat confusing as he seems to point to obedience, heritage and ritual as a means of achieving eternal glory. However, we find it not so!

"First to those in Damascus, then to those in Jerusalem and in all Judea, and then to the Gentiles, I preached that they should repent and turn to God and **demonstrate their repentance by their deeds.**" Acts 26:20

James 1:22-25

Matthew 7:24-29

_____ the _____, _____ the _____! (V17-24)

_____ can be deceiving. (V25-29)
