

Vision 2027
Matthew 22:36-40, 28:18-20

This was a mission statement or vision set forth some time ago in the life of FBC...and I like it.

The description that I have that accompanies this design says that the mission is:

To help people:

- Belong** – _____
- Believe** – _____
- Become** – _____

Matthew 22:36-40...

Deuteronomy 6:5 Leviticus 19:18.

1. **When we look at these two passages of Scripture, we should have a sense of urgency to GO!**

Matthew 28:18-20

2. **Who do we go to and where do we go?**

Matthew 22:39

-Neighbor in Strong's Concordance: gives us these possible meanings:

1. a friend
2. according to the Jews, any member of the Hebrew nation and commonwealth
3. _____

3. **How do we make them feel welcomed, valued and connected?**

We can no longer just welcome anyone to our church as long as they like things the way we like them!

Conclusion

Now, with all that being said, I want you to know I understand your concerns.
