

Hebrews – A Better Way
Better Than Angels
Hebrews 1:2-14

Intro?

The letter to the Hebrews was being written to believers who are being tempted to compromise their beliefs. Maybe, just maybe, if they would agree that Jesus was a prophet or even an angel, anything but God they might be accepted back into the synagogue.

So, why is Jesus better than the angels although they play such a prominent part in the Bible?

1. **Jesus is better because He is the _____** (vv. 2-5)

2. **Jesus is better because He is _____ of _____.** (v. 6)

3. **Jesus is better because He is the _____ _____.** (vv. 7-9)

4. **Jesus is better because He is the _____, not the _____.**
(vv. 10-12)

5. **Jesus is better because He is the _____ of the _____.**
(vv. 13-14)

Conclusion

In a hidden location in the Middle East, a group of female house church leaders has gathered in secret to grow and learn together. **They must hide their faith and risk their lives.**
