

#12 Forever Faithful
Hebrews 6:9-12

A pastor was speaking to his people on the relationship between fact and faith.

We are in Hebrews chapter 6 again this week where the author begins his time by reminding the listeners of his message that Jesus was the better way. However, along the way he has had some stern warnings mixed in.

We now pick up with great words of encouragement.

God does not _____ your _____. (6:10-12)

Isaiah 43:25 (CEV)

Hebrews 8:12 (NLT)

We have more encouraging news in that **God keeps His _____.** (6:12-17)

Our final encouragement in this chapter has one key word.

God is _____. (6:18-19)

Conclusion

The good news is we have a record of God's promises

Jesus is our high priest forever and he is also our King forever. What a great promise!
