

Entrusted: God's Plan  
Psalm 126:6

Intro

A 2014 Lifeway survey suggests that Christians are not sharing their faith despite many feeling the responsibility to do so according to a story by Christianity Today.

Only 17% of church-going Christians said that they both recognized and understood the concept of the Great Commission.

The church has largely forgotten its mission. We must get back to God's plan to reach the world with the news of His Son Jesus!

*Those who go out weeping, carrying seed to sow, will return with songs of joy, carrying sheaves with them. Psalm 126:6 NIV*

**Conclusion**

A certain preacher called his leaders together and said he was about to resign his ministry at that church because he hadn't seen anybody won to Christ for a considerable period of time.
