

Prophecy Fulfilled: Jesus, the Servant
Luke 24:44, Isaiah 42:1-4, Matthew 12:17-21

Introduction

Earlier this fall in our Friday morning men's group, we were looking at Ephesians 5:25-30. We took some time to analyze it and see the role of the husband in relation to his wife and the big take away from the lesson was this:

"My highest duty is to love my wife as a prophet, priest, and king."

And as I sat there that morning...with possible topics for Advent, it popped into my mind that those are all prophetic roles of Jesus.
