

In Trials & Tribulation?
I Peter 1:3-12

Intro

A Wilson basketball in my hands is worth about...

My prayer is that in 2020 you can see clearly that “it” –whatever that might be -depends whose hands it’s in.

Let’s break down our passage and see what it is that Peter wants to convey to these scattered believers in the midst of their persecution....

Every Christian should _____ ! (3-5)

We have a wonderful _____!

We have an _____ that can never be matched.

We have the _____ of our ultimate salvation.

John 10:27-29 (NIV)

There is a _____ for our _____ . (1:6-9)

God has _____ us to live in a _____ time. (1:10-12)

Conclusion

The believers that Paul writes to are suffering and under much pressure, but they have been given and incredible future. Given is probably not a good word. Granted may be a better word...they have been granted an incredible future!
